READ INSTRUCTIONS:

Next, we will present you with a series of exercises to see how your memory works. I am going to ask you some questions and ask that you do some tasks. You will find that some of the tasks are easy and others are more difficult. It may be that you do not know the answers to all of the questions. There is no problem with this. No one can correctly answer all of the questions the first time. But it is important to make your best effort. If you are not sure of an answer, you can guess, or give me the best answer that you can think of. Do you have any questions?
