Now we want you to remember how (NAME) was two years ago and to compare it with how he/she is like now. Two years ago was in 2 0 0 1 .I will read situations where (NAME) has to use his/her memory or intelligence. We would like you to indicate whether this has improved, stayed the same, or gotten worse in that situation over the past two years. Note the importance of comparing his/her present performance with two years ago. So if two years ago (NAME) always forgot where he/she had left things, and he/she still does, then this would be considered «not much change».
