CSYY50. One of the most important parts of our study is to understand the financial situations of people in their retirement years. In order to get complete data for this research, we are requesting the social security numbers of our respondents.

[I will be sending you/I have with me] a letter explaining what kind of data will be obtained, and the care taken to protect our respondents' confidentiality.

(Would you be willing to provide your Social Security number for the research purposes described?)
