This study is concerned about retirement planning and retirement income, and pensions from work are an important part of that.

IF R IS CURRENTLY WORKING FOR PAY *and* R (HAS NO PRELOADED PW PLANS *or* THIS IS NOT THE

With your help, we hope to streamline and improve our questions about your pension and retirement plans. To start, we'd like to ask some questions about pension or retirement plans you may have with your current job [fill if R has dormant: , then quickly review each of the plans you've told us about before to be sure we have the right list].

IF R HAS PRELOADED PENSION PLANS:

With your help, we hope to streamline and improve our questions about your pension and retirement plans.

For this reason we would like to ask some questions about pension or retirement plans you may currently have.
